

Attachment A – Definitions and Reporting Responsibilities

SUPPORTING DOCUMENT FOR PRA PACKAGE FOR MEDICARE SECONDARY PAYER REPORTING RESPONSIBILITIES FOR SECTION 111 OF THE MEDICARE, MEDICAID, AND SCHIP EXTENSION ACT OF 2007

DEFINITIONS AND REPORTING RESPONSIBILITIES

GROUP HEALTH PLAN (GHP) ARRANGEMENTS (42 U.S.C. 1395y(b)(7)) --

INSURER

For purposes of the reporting requirements at 42 U.S.C.1395y(b)(7), an insurer is an entity that, in return for the receipt of a premium, assumes the obligation to pay claims described in the insurance contract and assumes the financial risk associated with such payments. In instances where an insurer does not process GHP claims but has a third party administrator (TPA) that does, the TPA has the responsibility for the reporting requirements at 42 U.S.C. 1395y(b)(7).

THIRD PARTY ADMINISTRATOR (TPA)

For purposes of the reporting requirements at 42 U.S.C.1395y(b)(7), a TPA is an entity that pays and/or adjudicates claims and may perform other administrative services on behalf of GHPs (as defined at 42 U.S.C. 1395y(b)(1)(A)(v)), the plan sponsor(s) or the plan insurer. A TPA may perform these services for, amongst other entities, self-insured employers, unions, associations, and insurers/underwriters of such GHPs. If a GHP is self-funded and self-administered for certain purposes but also has a TPA as defined in this paragraph, the TPA has the responsibility for the reporting requirements at 42 U.S.C. 1395y(b)(7).

USE OF AGENTS FOR PURPOSES OF THE REPORTING REQUIREMENTS AT 42 U.S.C. 1395y(b)(7):

For purposes of the reporting requirements at 42 U.S.C. 1395y(b)(7), agents may submit reports on behalf of :

- Insurers for GHPs
- TPAs for GHPs
- Employers with self-insured and self-administered GHPs

Accountability for submitting the reports in the manner and form stipulated by the Secretary and the accuracy of the submitted information continues to rest with each of the above-named entities.

The CMS will provide information on the format and method of identifying agents for reporting purposes.

LIABILITY INSURANCE (INCLUDING SELF-INSURANCE), NO-FAULT INSURANCE, AND WORKERS' COMPENSATION (42 U.S.C. 1395y(b)(8) --

INSURER

For purposes of the reporting requirements for 42 U.S.C. 1395y(b)(8), a liability insurer (except for self-insurance) or a no-fault insurer is an entity that, in return for the receipt of a premium, assumes the obligation to pay claims described in the insurance contract and assumes the financial risk associated with such payments. The insurer may or may not assume responsibility for claims processing; however, the insurer has the responsibility for the reporting requirements at 42 U.S.C. 1395y(b)(8) regardless of whether it uses another entity for claim processing.

CLAIMANT:

For purposes of the reporting requirements at 42 U.S.C. 1395y(b)(8), "claimant" includes: 1) an individual filing a claim directly against the applicable plan, 2) an individual filing a claim against an individual or entity insured or covered by the applicable plan, or 3) an individual whose illness, injury, incident, or accident is/was at issue in "1)" or "2)".

APPLICABLE PLAN:

For purposes of the reporting requirements at 42 U.S.C. 1395y(b)(8), the "applicable plan" as defined in subsection (8)((F) has the responsibility for the reporting requirements at 42 U.S.C. 1395y(b)(8). For workers' compensation information this would be the Federal agency, the State agency, or self-insured employer or the employer's insurer.

NO-FAULT INSURANCE:

Trade associations for liability insurance, no-fault insurance and workers' compensation have indicated that the industry's definition of no-fault insurance is narrower than CMS' definition. For purposes of the reporting requirements at 42 U.S.C. 1395y(b)(8), the definition of no-fault insurance found at 42 C.F.R. 411.50 is controlling.

LIABILITY SELF-INSURANCE:

42 U.S.C. 1395y(b)(2)(A) provides that an entity that engages in a business, trade or profession shall be deemed to have a self-insured plan if it carries its own risk (whether by a failure to obtain insurance, or otherwise) in whole or in part. Self-insurance or deemed self-insurance can be demonstrated by a settlement, judgment, award, or other payment to satisfy an alleged claim (including any deductible or co-pay on a liability

insurance, no-fault insurance, or workers' compensation law or plan) for a business, trade or profession. See also 42 C.F.R. 411.50.

SPECIAL CONSIDERATIONS WHERE LIABILITY SELF-INSURANCE WHICH IS A DEDUCTIBLE OR CO-PAYMENT FOR LIABILITY INSURANCE, NO-FAULT INSURANCE, OR WORKERS' COMPENSATION IS PAID TO THE INSURER OR WORKERS' COMPENSATION ENTITY FOR DISTRIBUTION (RATHER THAN DIRECTLY TO THE CLAIMANT):

As indicated in the definition of "liability self-insurance," such deductibles and co-payments constitute liability self-insurance, and require reporting by the self-insured entities. However, in order to avoid two entities reporting with possible confusion where the deductibles and/or co-payments are physically being paid by the insurer or its TPA, CMS is considering requiring such deductibles and co-payments to be reported as part of the insurer or TPA's report. *CMS specifically seeks comments on this approach. If this approach is not adopted, both entities will have to report in this situation. Regardless of the final decision on this approach, CMS may need to add a few additional data elements (in the form of a question or otherwise) so that it will clearly be able to identify such situations.*

WORKERS' COMPENSATION LAW OR PLAN

For purposes of the reporting requirements at 42 U.S.C. 1395y(b)(8), a workers' compensation law or plan means a law or program administered by a State (defined to include commonwealths, territories and possessions of the United States) or the United States to provide compensation to workers for work-related injuries and/or illnesses. The term includes a similar compensation plan established by an employer that is funded by such employer directly or indirectly through an insurer to provide compensation to a worker of such employer for a work-related injury or illness. Where such a plan is directly funded by the employer, the employer has the responsibility for the reporting requirements at 42 U.S.C. 1395y(b)(8). Where such a plan is indirectly funded by the employer, the insurer has the responsibility for the reporting requirements at 42 U.S.C. 1395y(b)(8).

USE OF AGENTS FOR PURPOSES OF THE REPORTING REQUIREMENTS AT 42 U.S.C. 1395y(b)(8):

Agents may submit reports on behalf of:

- Insurers for no-fault or liability insurance
- Self-insured entities for liability insurance
- Workers' compensation laws or plans

Accountability for submitting the reports in the manner and form stipulated by the Secretary and the accuracy of the submitted information continues to rest with each of the above-named entities.

TPAs of any type (including TPAs as defined for purposes of the reporting requirements at 42 U.S.C. 1395y(b)(7) for GHP arrangements) have no reporting responsibilities for purposes of the reporting requirements at 42 U.S.C. 1395y(b)(8) for liability insurance (including self-insurance), no-fault insurance, or workers' compensation. Where an entity reports on behalf of another entity required to report under 42 U.S.C. 1395y(b)(8), it is doing so as an agent of the second entity.

CMS will provide information on the format and method of identifying agents for reporting purposes.
